Experience

Creative Technologist Co-op July - Dec 2015

Mullen Lowe U.S. - Boston, MA

- Developed and maintained code for in-house and client websites primarily utilizing HTML, CSS, Sass, JavaScript, and jQuery
- Tested code in various browsers and mobile devices to ensure cross-browser compatibility and responsiveness
- Collaborated closely with other developers and producers to meet deadlines for clients including JetBlue, Lovesac, U.S. Cellular, U.S. D.o.D., and more

HCI Research Assistant Feb - April 2015

NU CCIS - Boston, MA

- Utilized front end technologies to assist with the development a software prototype that facilitated better understanding of parent-child communication preferences and needs in low socio-economic status families
- Developed remotely to meet weekly deadlines and project checkpoints

Campus Leadership

HCI Teaching Assistant Jan 2016 - Present

NU CCIS - Boston, MA

- Assist professor with grading homework and project assignments
- Hold office hours to aid students in their understanding of core HCI concepts and report to the professor the extent of their understanding

Web Chair Dec 2015 - Present

NU Women in Technology (NU WiT) - Boston, MA

- Re-design, develop, and maintain club website
- Produce web material for workshops and events hosted by NU WiT
